

Western Alliance Bank®

# The Strength of Western Alliance

Q3 2022

## #1 Ranked Bank

American Banker and Bank Director, two leading information resources for the financial services industry, both recently named Western Alliance Bank #1 among banks with \$50 billion or more in assets. We're excited to top these lists of large, high-performing banks with the capacity you need to reach your goals in every economic climate.

## Putting Clients First

Clients are at the center of everything at Western Alliance Bank. As a national bank with a regional footprint, we're built to serve customers across the country, wherever business happens. Real relationship banking, combined with industry expertise in nearly every sector of the U.S. economy, means we're here for you – wherever your "here" is.

## Nation's Leader in Commercial Banking

Our focus on commercial banking sets Western Alliance Bank apart among the top U.S. banks. Business banking is what we're all about. As we work toward our goal of becoming the nation's leader in commercial banking, we're always committed to helping our clients achieve their business ambitions. That's how we succeed for you.
